

Promotion of REDD+ through the Participation of the Private Sector :

The Implementation of REDD+ under the Joint Crediting Mechanism (JCM)

May 4th 17:30-19:00 Venue: Conference Room 327B

Joint Crediting Mechanism (JCM) is one of the schemes in accordance with the provisions of Article 6-2 of the Paris Agreement which prescribes for the use of emission reductions realized overseas towards national emission reductions targets.

This side event aims to share useful information on JCM-REDD+ and to have a discussion among relevant stakeholders to highlight the key roles of the private sector for promoting REDD+.
